GRIEVANCES TO BE ADJUSTED BY WORKERS AND THE OFFICIALS

(By Associated Press.)

WASHINGTON, Jan. 19 .- W. G. Lee, head of the Trainmen's brotherhood, presented a substitute plan for the president's railroad labor legislaion to the house committee today. It is said that a board of eight equally divided between railway workers and operating officials, to be appointed by the president, would COAL SHIPMENTS HAVE solve all present difficulties over working conditions. This move would command the unqualified support of the four brotherhoods. Despite the board would be evenly divided, it is predicted there would be no deadlocks.
